## CONSENSUS GUIDELINES IN COMPREHENSIVE DENTISTRY

**THE SYMPOSIUM OBJECTIVE** is, together with **LEADERS OF DENTISTRY**, to arrive at **CONSENSUS GUIDELINES** on clinical, interdisciplinary questions which need to be answered and implemented in our daily workflows.

The lectures will be based on literature reviews, research and clinical experience. Guidelines will be concluded after each session.

We look forward to having you in our lovely city of Baden Baden, Germany, to offer you exciting **MUSICAL AND CULTURAL EVENTS** and give you a mystique drive into the Black Forest.

The symposium will be supporting a **CHARITY** activity for children's education in Tanzania.
