Clinical Cases Competition

Dear Partner/Doctor,

MIS is pleased to announce a prize awarding clinical cases competition focusing on „The combined use of MIS’ dental implants and BONDBONE for immediate procedures in the esthetic zone“.

The **first prize** winner will be invited to present the winning case at the Main Podium of MIS’ 2013 Global Conference to be held on June 6-9 in Cannes, France. **Second place** winner will win a \$5,000 prize and the **third place** will win \$2,500. In addition, ten best elected cases, excluding the first three, will win a package of MIS products, at a value of \$1,000 each. All winning clinical cases (first 3 winners and 10 best elected), will be included and published in MIS’ Clinical Cases Compendium.

All practicing dentists are eligible to participate.

Cases will be evaluated by a scientific committee, based on specific published criteria. Please refer to the below link to view the PES/WES analysis offered as an objective evaluation criteria.

All clinical cases, including all relevant documentation should be accepted by MIS by March 1st, 2013.

Please refer to the attachments below to view the competition specifications and requirements.

For further information and applications please contact MIS at phone: +49 (0)571 972762-0 or e-mail: service@mis-implants.de or refer to the contest minisite: www.mis-events.com/cc-competition

Good Luck!
MIS Team
