

Dr. Yong-Seok Cho

**Implant Course:
03-04. May 2012**

**Sinus Course:
05-06. May 2012**

OSSTEM[®]
IMPLANT

Venue: AIC Center, Eschborn, Germany

Course Director
Dr. Yong-Seok Cho

Curriculum Vitae

- ⑥ D.D.S., Seoul National University
- ⑥ Ph.D., College of Dentistry
- ⑥ Chief of the Oral and Maxillofacial Surgeons Dept.
- ⑥ Adjunct Professor, College of Dentistry, Seoul Nat. University
- ⑥ Director of the Apsun Dental Clinic

Implant Course -Essential concepts and technique for implant

03-04.May 2012

Thursday, 09:30~18:30

- ⑥ Handling of surgical motor and surgical kit
- ⑥ Evaluation of the bone / Bone density based drilling
- ⑥ Model surgery 1: #35, 36, 46 missing dentiform model
- ⑥ Principle and technique of mandibular posterior teeth replacement
- ⑥ Characteristics of TSIII SA fixture
- ⑥ Indications and advantages of TSIII SA implant system
- ⑥ Surgical and prosthetic guideline of TSIII SA implant system

Friday, 09:30~16:30

- ⑥ Radiology for implant
- ⑥ Panorama hands-on
- ⑥ Suture technique with hands-on
- ⑥ Model surgery 2: #37, 45, 46, 47missing dentiform model
- ⑥ Principle and technique of maxillary posterior tooth replacement
- ⑥ Introduction of CAS kit

Sinus Course - All about sinus bone graft

05-06. May 2012

Saturday, 9:30~18:30

Easy and Safe Crestal approach sinus bone graft technique

- ⑥ Anatomy and physiology of the maxillary sinus
- ⑥ Conventional sinus lift technique using osteotome
- ⑥ Advantage of Sinus lift with the CAS kit
 - ⑥ Indication and limitation of crestal approach sinus lift technique
 - ⑥ Characteristics of the CAS kit for sinus lift
 - ⑥ Indication and case presentation of the CAS kit
- ⑥ Hands-on with sinus model
- ⑥ Management of sinus lift complications

Sunday, 9:30~16:30

Fine lateral approach sinus bone graft technique

- ⑥ Concept and technique of lateral window approach sinus bone graft
- ⑥ Easy and safe lateral window approach using the LAS kit
 - Hands-on with sinus model
- ⑥ Management of sinus graft complications
 - ⑥ Postoperative pain and swelling
 - ⑥ Sinus membrane tearing
 - ⑥ Intraoperative bleeding
 - ⑥ Inadequate graft volume
 - ⑥ Displacement of an implant into the sinus
 - ⑥ Residual alveolar ridge fracture
 - ⑥ Sinus infection
 - ⑥ Failure of osseointegration
- ⑥ Failure of bone graft

Registration by Fax:

+49 (0) 61 96 / 777 55 -29

Name and title: _____

Street: _____

ZIP, Town: _____

Phone: _____

Fax: _____

- Registration for implant course: EMEA-2012-2
- Registration for sinus course: EMEA-2012-3
- Participation fee exclusive VAT basic course: 700 Euro
- Participation fee exclusive VAT advanced course: 700 Euro
- Please pay the fee by direct debit.
- Per course total 14 hrs.

- Hereby I authorize the OSSTEM Germany GmbH to debit the participation fee from my bank account according to the data below.

Account Holder _____

Account no/BCN _____ / _____
