Effizienz verschiedener Zahnbürsten im Seniorenalter

Dr. Hubert Roggendorf & Kollegen

PN Parodontologie Nachrichten 4/2011

1. Wolden H, Strand GV, Gjellestad A.
Caregivers' perceptions of electric versus manual toothbrushes for the institutionalised elderly. *Gerodontology* 2006; 23 (2): 106-110.
2. Day J, Martin MD, Chin M.
Efficacy of a sonic toothbrush for plaque removal by caregivers in a special needs population. *Spec Care Dentist* 1998; 18 (5): 202-206.
3. Sharma NC, Qaqish J, Klukowska M, Gender J, Rooney J.
The plaque removal efficacy of a novel power brush head. *J Clin Dent* 2011; 22 (1): 19-22.
4. Sharma NC, Qaqish JG, He T, Walters PA, Grender JM, Biesbrock AR.
Plaque and gingivitis reduction efficacy of an advanced pulsonic toothbrush: a 4-week randomized and controlled clinical trial. *Am J Dent* 2010; 23 (6): 305-310.
5. Klukowska M, White DJ, Barker ML, Bartizek RD.
Effect of an oscillating rotating power toothbrush on plaque removal and regrowth. *Am J Dent* 2008; 21 (6): 346-350.
6. Haffajee AD, Thompson C, Torresyap G, Guerrero D, Socransky SS.
Efficacy of manual and powered toothbrushes (II). Effect on microbial parameters. *J Clin Periodontol* 2001; 28: 947-954.
7. Silvestrini Biavati A, Gastaldo L, Dessi M, Silvestrini Biavati F, Migliorati M.
Manual orthodontic vs. oscillating-rotating electric toothbrush in orthodontic patients: a randomised clinical trial. *Eur J Paediatr Dent* 2010; 11 (4): 200-202.
8. Royal CR, Qaqish, He T, Grender J, Walters P, Biesbrock AR.
A randomized 12-week study to compare the gingivitis and plaque reduction benefits of a rotation-oscillation power toothbrush and a sonic power toothbrush. *J Clin Dent* 2009; 20 (3): 93-98.
9. Bader HI, Boyd RL.
Comparative efficacy of a rotary and a sonic powered toothbrush on improving gingival health in treated adult periodontitis patients. *Am J Dent* 1999; 12 (3): 143-147.
10. Biesbrock AR, Bayuk LM, Yates DS, Santana MV, Bartizek RD.
The clinical effectiveness of a novel power toothbrush and its impact on oral health. *J Contemp Dent Pract* 2002; 3 (2): 1-10.
11. Harpenau L.
Clinical comparison of plaque removal and gingival bleeding reduction by two different brush heads on a sonic toothbrush. *J Clin Dent* 2000; 11 (2): 29-34.
12. Sharma NC, Galustians J, Qaqish J, Cugini M.
A comparison of two electric toothbrushes with respect to plaque removal and subject preference. *Am J Dent* 1998; 11 (Spec No): S29-33.
13. Sharma NC, Qaqish JG, Galustians HJ, Goyal CR, Cugini MA, Thompson MC, Warren PR.
Plaque removal efficacy of two electric toothbrushes with different brush head designs. *J Dent* 2005; 33 (1): 17-21.
14. Ruhlman CD, Bartizek RD, Biesbrock AR.
Comparative efficacy of two battery-powered toothbrushes on dental plaque removal. *J Clin Dent* 2002; 13 (3): 95-99.
15. Arai T, Kinoshita S.
A comparison of plaque removal by different toothbrushes and toothbrushing methods. *Bull Tokyo Med Dent Univ* 1977; 24 (2): 177-180.

16. Kozłowska M, Wawrzyn-Sobczak K, Karczewski JK, Stokowska W.
The oral cavity hygiene as the basic element of the gingival recession prophylaxis. *Rocz Akad Med Białymst* 2005; 50 (Suppl 1): 234-237.
17. Schlueter N, Klimek J, Saleschke G, Ganss C.
Adoption of a toothbrushing technique: a controlled, randomised clinical trial. *Clin Oral Investig* 2010; 14 (1): 99-106.
18. Dentino AR, Derderian G, Wolf M, Cugini M, Johnson R, Van Swol RL, King D, Marks P, Warren P.
Six-month comparison of powered versus manual toothbrushing for safety and efficacy in the absence of professional instruction in mechanical plaque control. *J Periodontol* 2002; 73 (7): 770-778.
