

CERTIFIED PRODUCTION QUALITY 2022

This certificate is awarded to

Komet Custom Made
Gebr. Brasseler GmbH & Co. KG

for the ceramic dental implant production quality.

Implant samples produced by Komet Custom Made were tested thoroughly in an independent testing laboratory according to DIN EN ISO/IEC 17025:2018. The results of the analysis fully comply with the criteria for the Certified Production Quality following the consensus guideline of the CleanImplant Foundation Scientific Advisory Board, released in September 2017.

Berlin, March 1st, 2022
